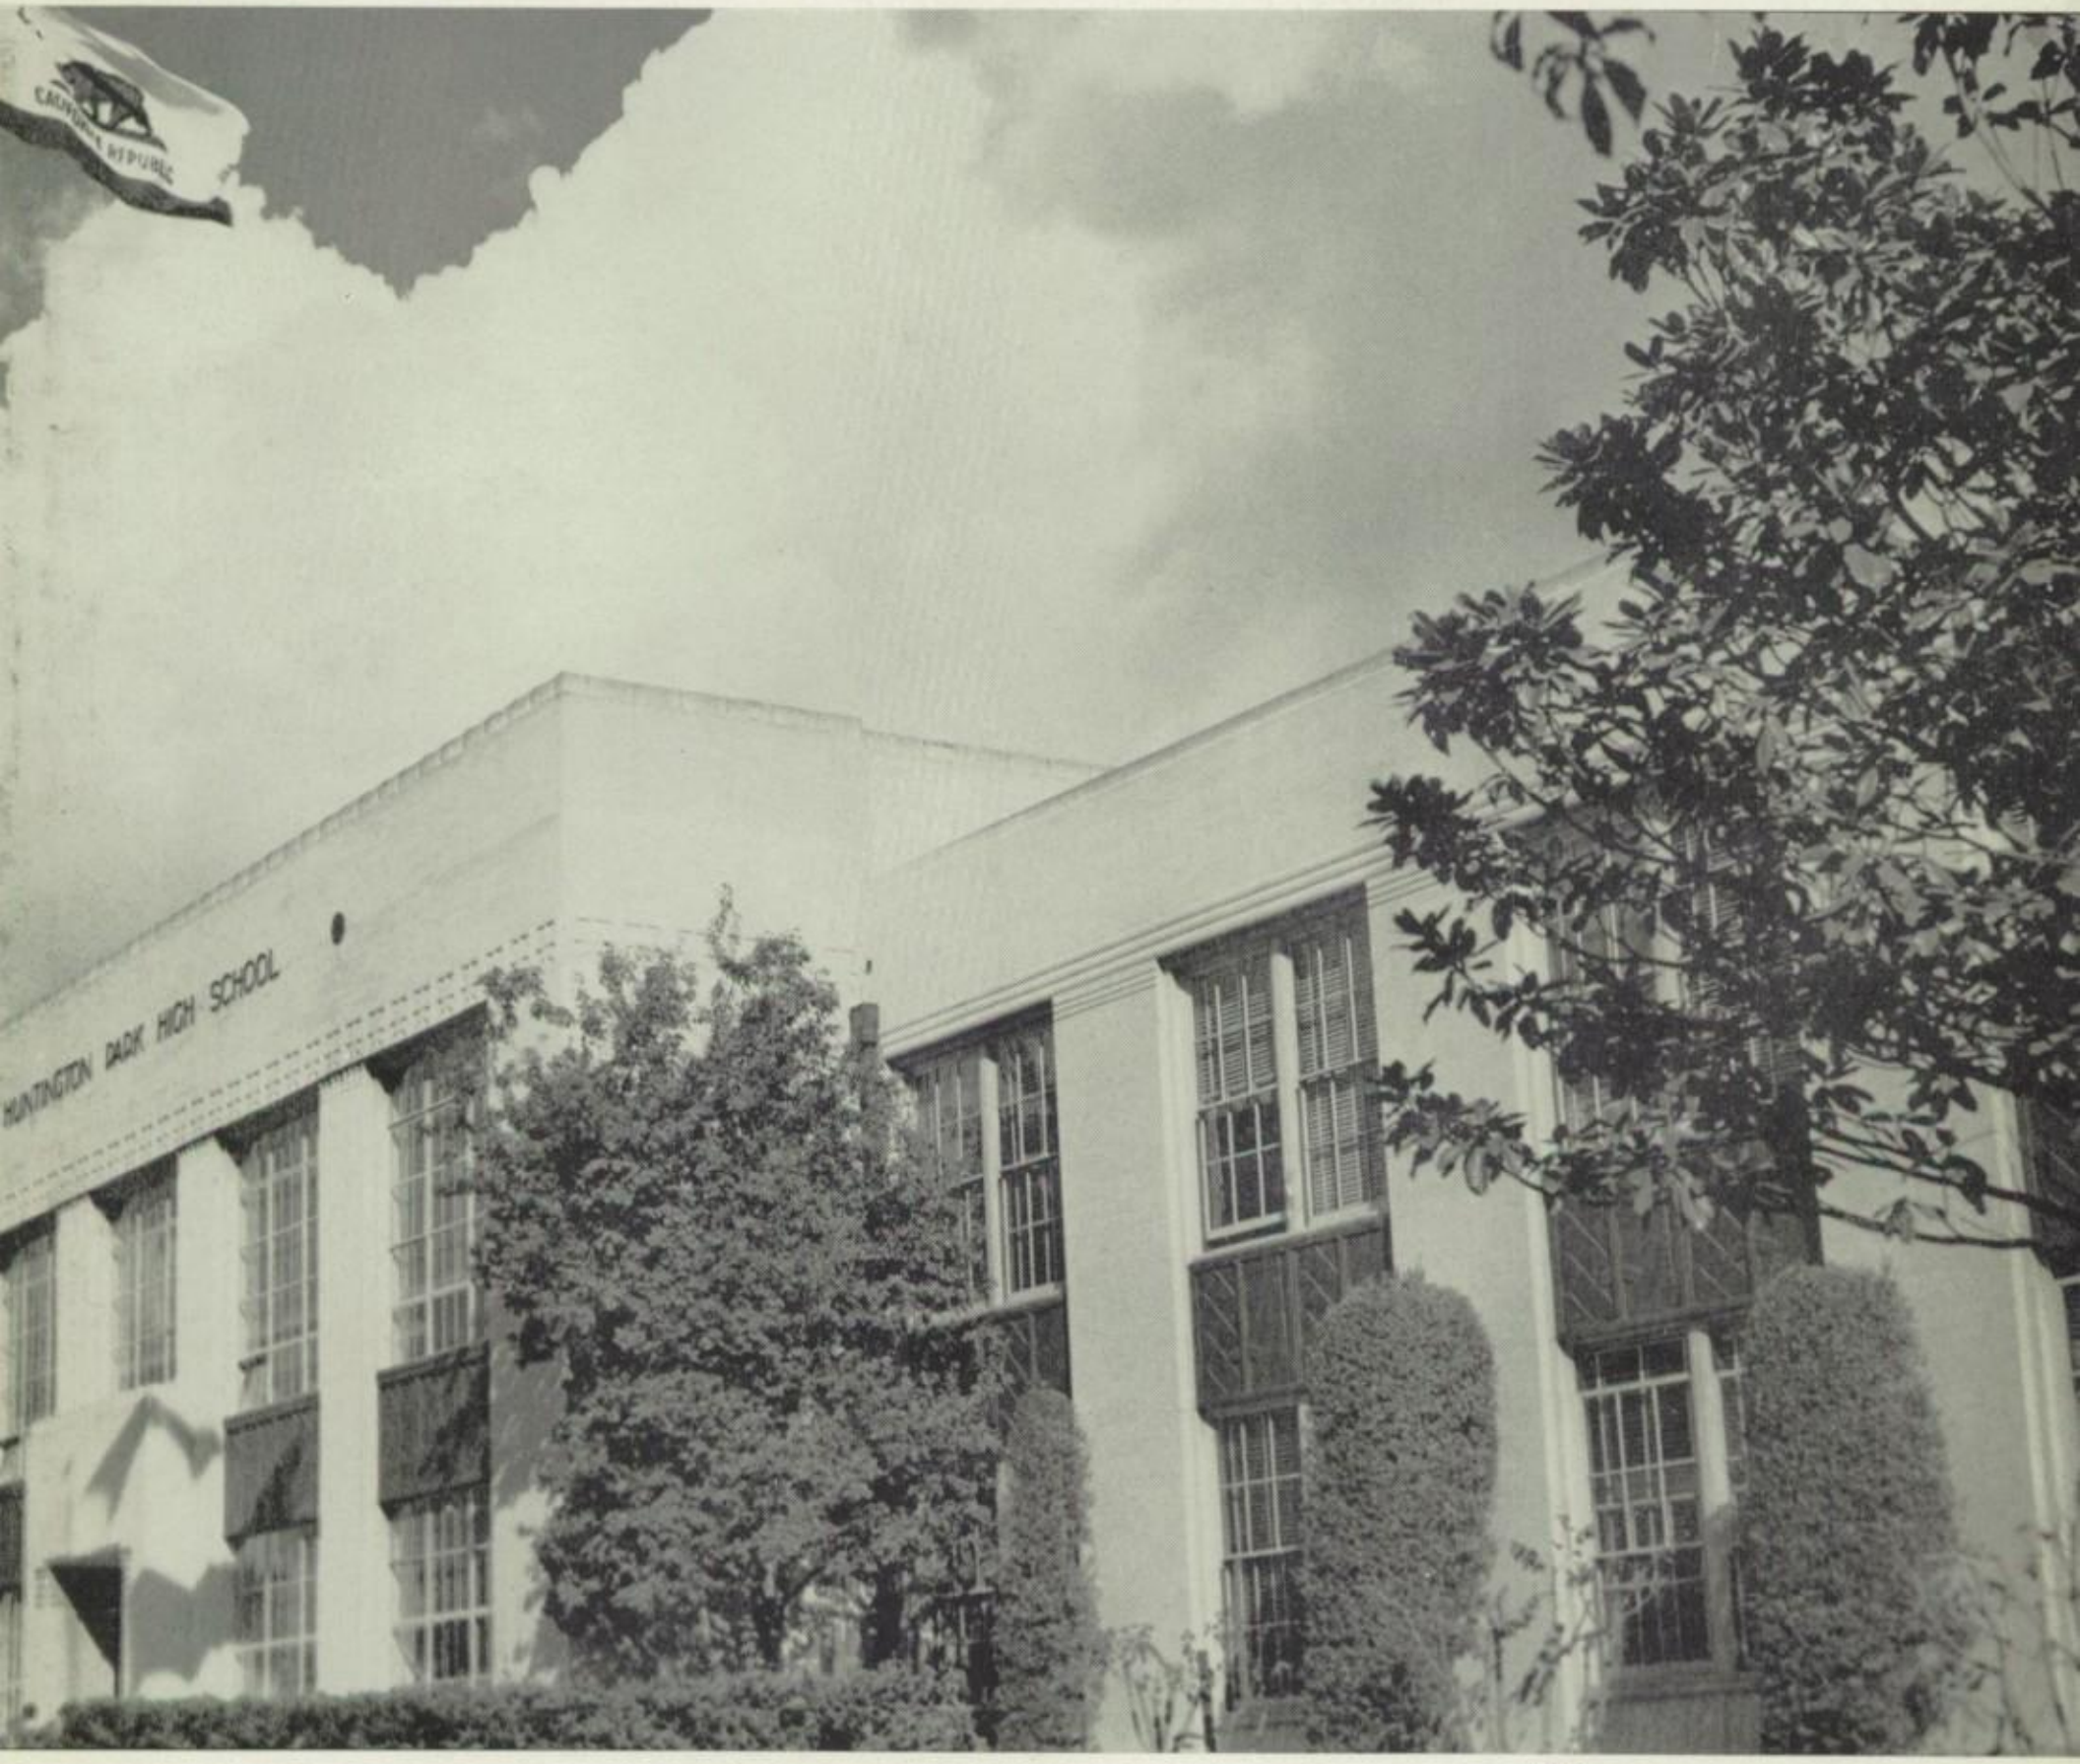
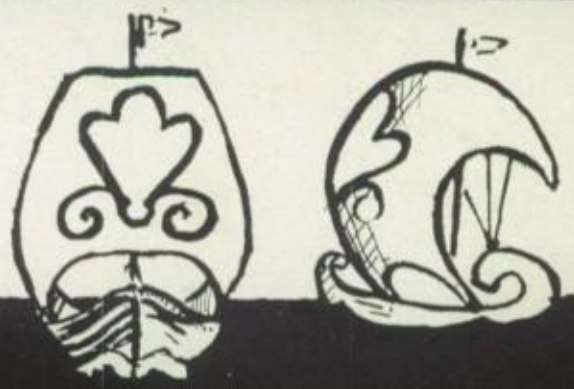
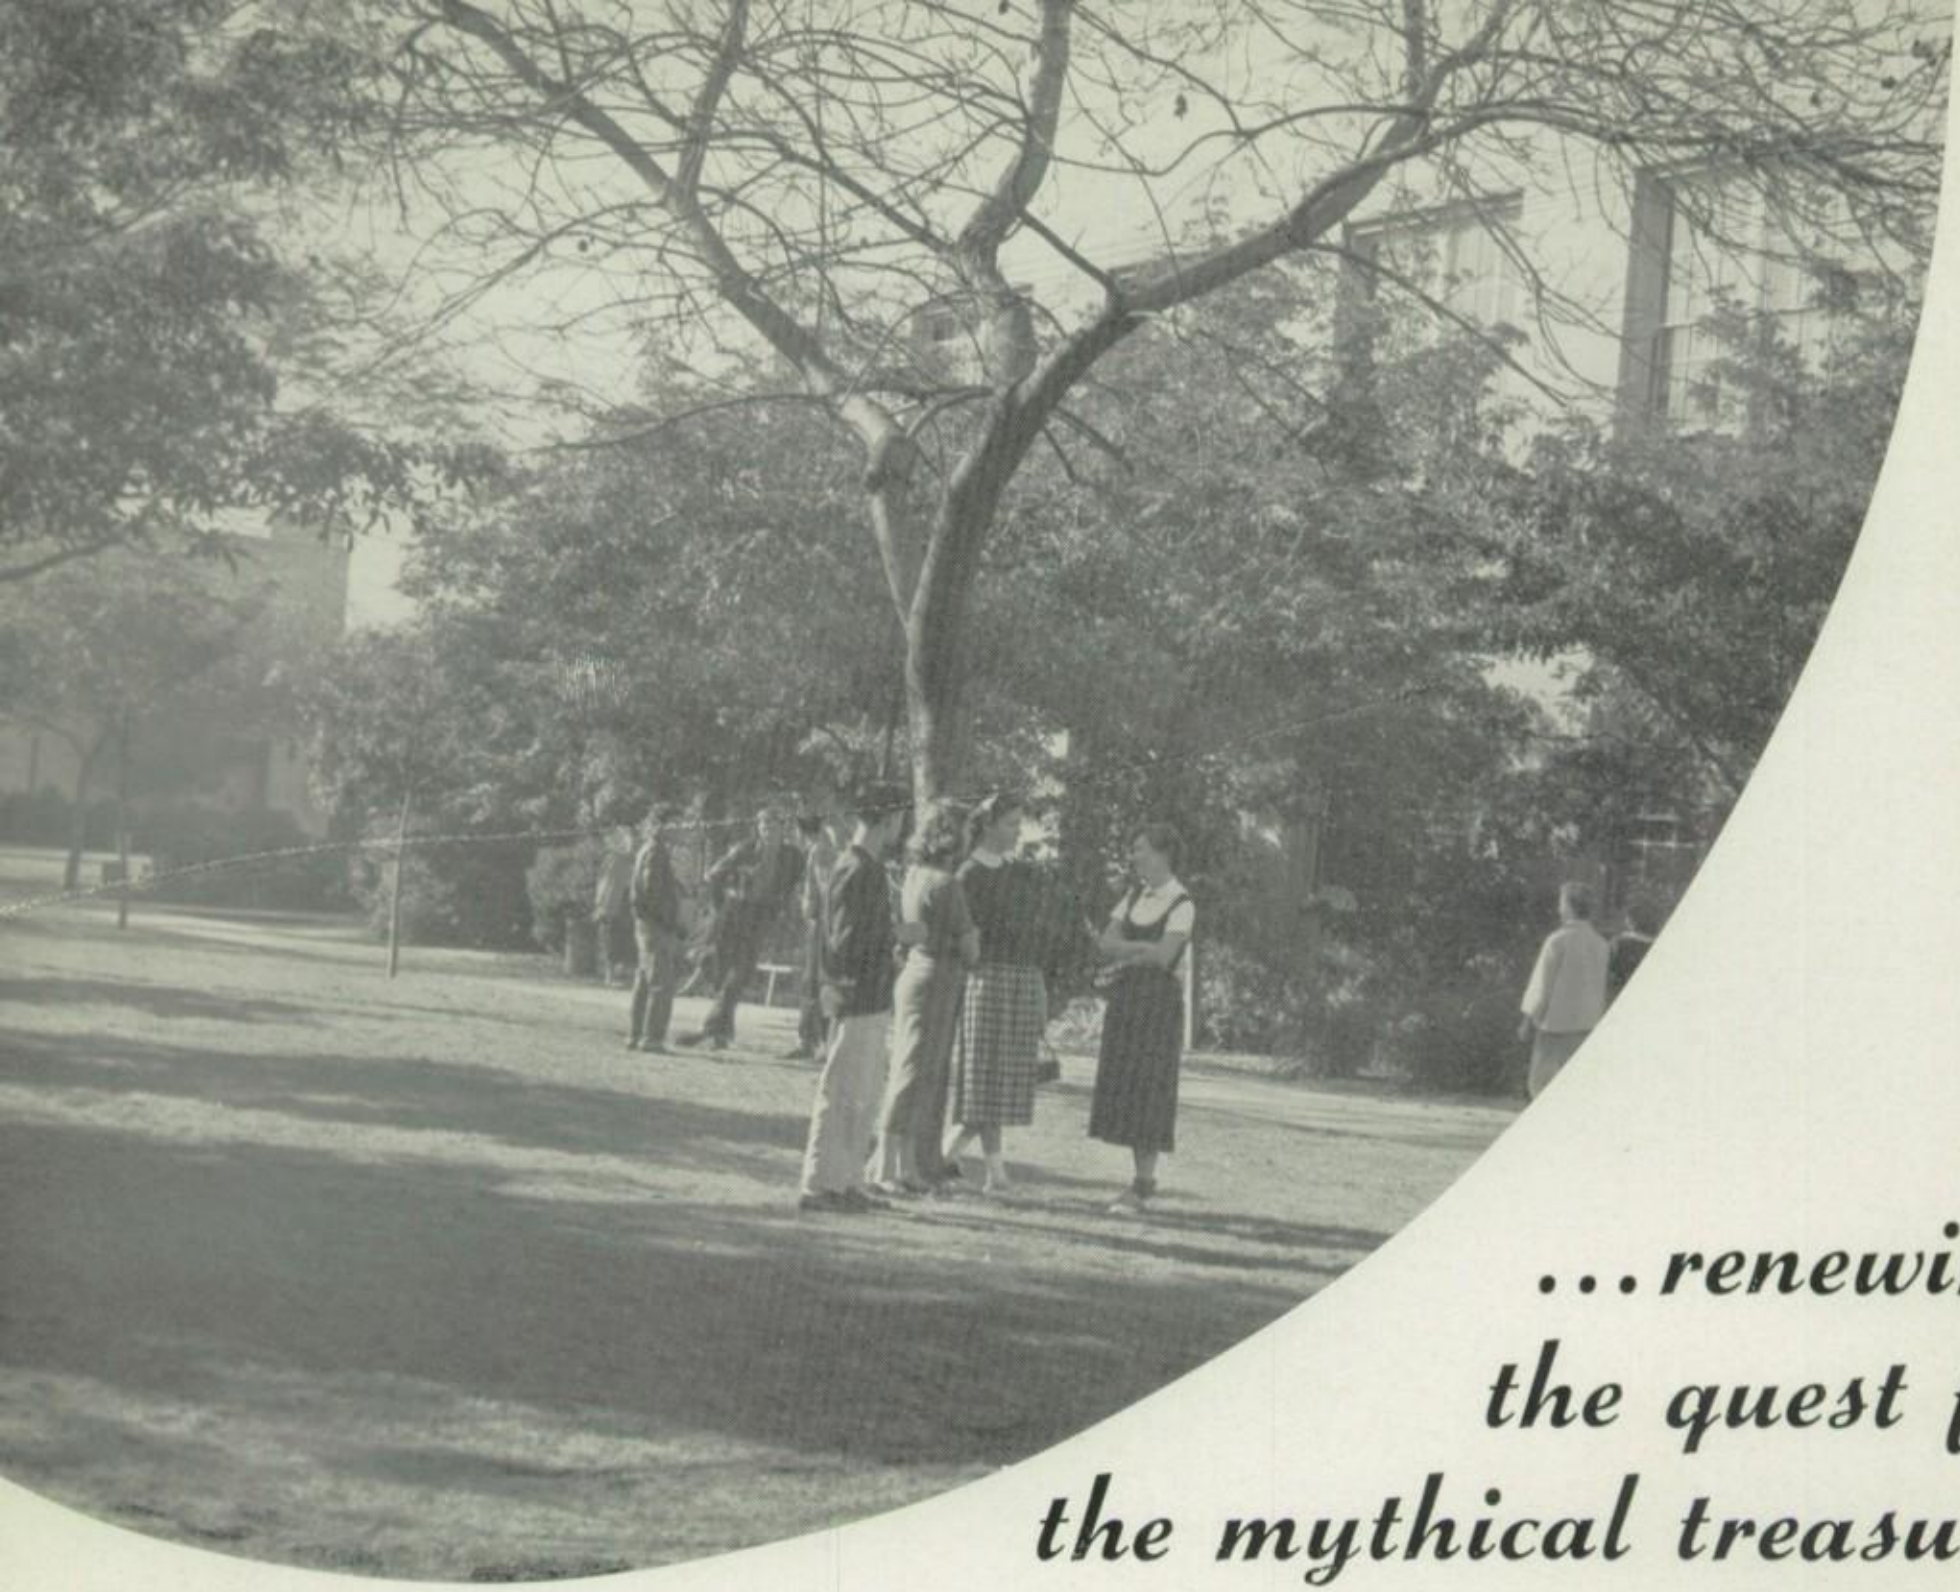
the Golden Fleece...





RAY OLSEN



...renewing the quest for the mythical treasure.

Mythology tells of a boy named Jason, raised by a centaur, in the woods of Greece, who at full height, strong with the spear, desired fame. His sagacious uncle suggested a perilous search for the Golden Fleece, and the bold lad eagerly set out to capture the coveted reward.

In this edition of El Recuerdo, the story is told of a modern Jason's search through Huntington Park High School, in quest of a diploma, a "Golden Fleece."

The tale is told in four parts:

Jason consults the oracles . . . . . Faculty
Jason and the Argonauts set sail . . Activities
Jason enters combat . . . . . Sports
Jason wins the Golden Fleece . . Graduation

To Ron,

Before Jason *sets out on his perilous search to capture the Golden Fleece, he seeks advice from the Oracles and wise men of Sparta. They encourage him to study, because, they say, education is the key to success. Only through learning can he achieve his goal. Inspired and encouraged by their teachings he confidently sets out on his quest.*

Members . . .

of the W'53 and S'53 classes, we send our best wishes to you in your continued search for the eternal golden fleece.

Your teachers, parents, and administrators - all friends, in fact - hope that you have found already some of this symbolic stuff which might be interpreted simply as happiness and the good life. It is certainly a part of your diploma, of which you can be very proud.

In any event, we are sure that you are good Argonauts, like Jason, and will take "the bull by the horns" in your further quest for justice and reason, and in your defense of the freedoms of Democracy, your home, and your country.

JASON AND THE ARGONAUTS SET SAIL

Jason chooses, *as his Argonauts, students who demonstrate their loyalty to Sparta. Student body, Girls' League and Boys' Forum officers are asked to serve as mates on the Argo. He and his crew of students, 1700 strong, seek the priceless treasure. They cover the campus from desert to gym, auditorium to practical arts, administration to social hall, but they can not find the fleece; the task proves most difficult.*

Executive Board W'53

For excellent leadership, under the guidance of Tom Ellis, Jason chose the Executive Board of Winter '53 to accompany him on his search for the Golden Fleece.

Sparta will remember this board for forming a Queen committee, purchasing new yell leader sweaters, and beginning work on revision of the Student Manual and Constitution.

When Spartans returned to school last September, they found themselves in the new Eastern League. Pat Stevens, student body vice-president, was elected president of the League and Jean Niersbach, recording secretary.

JASON ENTERS COMBAT ...

Jason battles *with the warriors from Bell, South Gate, Poly, Belmont, and Riis in the newly-organized Eastern League. Hoping to conquer the dragon and win the fleece, he charges down the football field, races across country, bats it out on the diamond, smashes opponents on the court, and churns to victory in the water. His efforts bring him glory, but not the Golden Fleece.*

Varsity Football

After losing two practice games and tying one, Huntington Park came back to win two League games, with Bell and Poly, and lose two, to Belmont and South Gate, by one and four points, respectively.

Gaining honors for Sparta were Bill Schramm, first string All-League and third string All-City; John Pasco, first string All-League; John Ortiz, Bill Holston and Gary Kimberly, second string All-League.

Tennis

The tennis squad garnered their first championship in ten years by defeating a strong South Gate team in the League playoffs. Both teams wound up regular season play with five wins and one loss.

The team was led by outstanding play of the first three men, Jim Nelson, first, John Avila, second, and Lee Human, third. Each had a league record of seven wins and no losses. Varsity Basketball

Sparta's Varsity basketball team, under the direction of Coach Raymond Harris, had a disappointing season as far win and loss record is concerned. They won 4 of 7 practice games.

In practice games, they won over Cathedral, Cantwell, Franklin, and took a surprise win over a tough Jordan team, by a score of 40-38. They dropped decisions to Fremont and Compton.

In League play, the Spartans just couldn't get into high gear, losing to Riis, Belmont, Bell, South Gate, and Poly in quick succession. Came graduation, and the team lost Tom Ellis, Tom Jurney, and Dimas Garcia, the nucleus of the squad. After graduation, came the task of rebuilding the team, and Tom Heimerdinger, Denny Bryant, Bob McFarlane, Francis Feller and Keith Peterson carried the hopes of cellar-dwelling Spartans.

They started by losing a close game to Lincoln. In the second round of League play, they lost a close game to Riis, got stomped by Belmont, were edged by Bell, and beaten by South Gate. In the last game of the season, against Poly, League champions, they reached their peak, holding the ever-dangerous Mechanics until late in the fourth quarter, when they succumbed, 70-60, but not until they had really thrown a scare into the champs.

In total scoring, for League play, Bob McFarlane lead the team, with 70 points, for an 11,7 average, followed closely by Tom Heimerdinger, with 68 points, and a 6.8 average, and by Keith Peterson, with 55, and a 6.7 average.

The starting lineup consisted of Max Cunningham and Gil Salas, forwards; Norm Popkins, center; Alan Shwam and Jim McMurray, guards. Other players were Jim McDonald, Victor Garcia, Monty Joyner, and Mel Dupaix.

Varsity Track

Spartan tracksters, faring well, placed third in the Eastern League. They lost to powerful teams, Poly and Belmont. "Skip" Barry finished sixth in the City high hurdles.

Leading distance man was Don Capps, Senior A miler. Don went undefeated in the mile, in league competition. Glen Salas ran the 100, 220, and broad jump.

Field events were led by Allan Pepper, high jump; Bob Anderson and Gil Salas, pole vault; Glen Salas, Jim Chatfield, and Ron Rookey, broad jump; Fred Simon, shot put.

Featured in field events were Pete Diggs, broad jump; Bob Sunderland, pole vault; Roger Wells, who last year placed second in shot put in the City Finals; Earl Wilhite, shot put; and Jim McDonald, broad jump.

High point men on the oval were Pete Diggs, one of the League's fastest sprint and hurdle men, and Gene Crawford, who placed second to Pete. Other sprinters include Jerry Castro, William Chavira, Ed Gasporra, and Bob Kerr.

The 660 winners were Jim Walten, Max Cunningham, and Jim McDonald.

Cee Track

Finishing third in the Eastern League, the Cee track team had a good initial year. The sportsmanship and spirit of the team brought credit to Sparta.

Sparking the players were Dick Crowther, 100-yard dash, hurdles and relay; Gene Baca, 660-yard run, and relay; Mario Harper, 180-yard dash, and broad jump.

Main point getters in field events were Pep Hayek, broad jump and high jump; Jim Ortiz, pole vault; and Doug Ivanoff, shot put.

These boys will compete in the Bee division next year, under the leadership of Coach Hank Springer, and Coach Lou Dunning.

Varsity Baseball

Highly favored to capture the Eastern League baseball crown was Huntington Park's talented Varsity team. Chief competition comes from cross-town rivals, Bell, and South Gate. Belmont, too, is expected to give the Varsity a battle.

Spartan includes two first string All League players, Bill Miller and Don Sabella. These two could repeat All-League and be top hitters. Paul Saiza, second string All-League, will, probably, be Sparta's top defensive man, and should do well with the bat.

In practice games, the Varsity won two and lost two. Outstanding players during the practice season were Ron Sabella who boasted the highest rating average; Norm Popkin and Don Krosguarrd, two fine sophomores who handle pitching duties.

Coach Ray Harris expects great things from Tom Heimerdinger, Frank Adams, and Karl Kuehl in the outfield. New comers to the Varsity, Jim MacMurray, Tom Roberts, and Dennis Bryant, will give the team a boost.

Bee Baseball

The Bee baseball team, as the annual goes to press, expects a good season under direction of Coach Steve Powell.

The squad, one of the biggest in the history of Spartan baseball, should finish high in the Eastern League. They have talent in Al Schwam, Dan Harnett, Monte Philippie, Ken Mueller, Tom Bergeron, and Al Proheroff.

From the team will come several fine ballplayers for next year.

Lifeguard

Serving faithfully as lifeguard at the pool, Howard Ploessel works not only at swim meets, but also during gym classes. He has been at Huntington Park since 1929, and was an Olympic swimming championship contender.

The squad was sparked by such stars as Monte Sternquist, diving; Ken Morales, medley; Joe Tedesco, free style; and Wayne Clevenger, free style.

Placing first in the Eastern League and high in the city, the team won praise for their showing.

Bee, Cee Swimming

Spartan Bee and Cee tankmen had a very successful season under the guiding hand of Coach Floyd Rhea and Howard Ploessel, lifeguard.

Bee swimmers took a strong second place in the City League. The Bee team turned out very good boys in Mel Dupaix, Bryan Gillard, Derek Timms, and Ron Bryan. Others on the team contributed much to a successful season.

The Cee team, future Varsity stars, turned in one of the best performances of the year, capturing first place in the League. Top men include Bob O'Neil, Tom Kempton, Lee Riley, Tom Cash, Burton Combine, and Steve Smith.

Coach Floyd Rhea felt that his mighty little Cee team would fare well in final City competition.

Lettermen

Huntington Park has been minus an active Varsity Lettermen's club for the past two years.

With fine help from Coach Floyd Rhea, sponsor, the revived club took a big step forward.

They started the fall semester with an induction party, gaining a number of new members. Every Varsity letterman is eligible for the club, but he must go through induction.

Half way through the year they sponsored a successful Sports Night for members and dates, and finished the semester with the biggest event of the year, the annual Father-Son award banquet, honoring lettermen and their fathers, always a success.

Lettergirls

Lettergirls, active service club on campus, have socials along with the hard work. Duties include keeping score at G.A.A. games and playdays, mending bathing suits, washing and ironing equipment.

At one of the socials, they went bicycling at Griffith Park.

Shirley Benge, president, led the girls through a successful spring semester, following Shirley Leis' successful fall semester leadership.

'Our Town L. A.'

"Our Town L.A." was the first big production presented by advanced rhythms class and G.A.A., under the direction of Mrs. Tirzah Lundgren. The cast gave matinee and evening performances. Scenes in the production, depicting life in Los Angeles, included Pershing Square, Olvera Street, Movie Studio, Hollywood Bowl, Hollywood and Vine, Main Street, Union Station, and a Plaza Church scene. All dances were made up by the girls to correspond with their chosen music and the theme of their dance.

Money from the dance was donated to the student body fund. Scenery used in the production was made by the stage crew, under the direction Mr. Herbert Nikirk.

A second music festival was presented, May 26. The advanced rhythms class and G.A.A. danced to songs sung by the Spartan Choir.

JASON WINS THE GOLDEN FLEECE

After four years *of search, Jason approaches graduation and still has not found the Golden Fleece. He begins to doubt the wisdom of the Oracles who had told him he would find the Fleece in the region of Huntington Park High School, but when he receives the diploma he realizes that the Golden Fleece is --- his opportunity, --- a challenge to win happiness and success.*

Ephebians W'53

Carolyn Comer and Tom Ellis were chosen Ephebians of the class of Winter '53, by the faculty and the class. Ephebians are selected in a ratio of one for every forty graduates, on the basis of outstanding scholarship, character, and leadership.

The first Ephebian Society, founded in Athens in the third century B.C., brought young men together to work to bring glory, honor and beauty to their city, or state. Sparta's modern society follows that purpose.
